Clutch Moving Company (CMC) is committed to moving your items as safely and efficiently as possible. In order to accomplish this CMC abides by specific protocols and can provide equipment for safe transport of special items. CMC cannot be held liable when a customer chooses not to utilize the suggested mode of transportation. Unless otherwise stated. CMC is released from liability for damage caused to the items or by performing specific services. All items are moved as mechanical conditions are unknown'. CMC does not accept any liability unless there is visible exterior damage. If you have any questions on these protocols, please do not hesitate to contact our office prior to your move.

Write Your Initial on Each Area:

1 _____ I understand that CMC is not liable for any damage or loss to the following items during transportation: Jewelry, Guns and Ammunition. Medications. Cash/Personal Documents. Electronics (radios/stereos. computers. etc.). and any other personal items of extraordinary value. Items with a value greater than or equal to \$100.00 per pound are items of extraordinary value. It is advised that you, the customer, transport these items prior to the move date.

2 _____ I understand that CMC will move appliances. equipment. or machinery. However. CMC will not disconnect and/or connect any appliance, equipment. or machinery. CMC will not be held liable for the damage to the appliance, equipment. machines. or property contributing to the connection and/or disconnection. CMC will not be held liable for the electrical or water damage to property associated with the connection and/or disconnection of appliances. equipment, or machinery. Front loading washers must be moved with shipping/stabilizing bolts for safe transportation. CMC will not be held liable for damage to a front loading washer or dryer that is moved without the shipping/stabilizing bolts being correctly secured in place.

3 _____ Hardwood floors are easily damaged when moving furniture. To protect your floor. CMC can supply and place felt pads on the bottom of each piece. CMC will use discretion when moving through hallways and walkways. If spaces are tight CMC can put extra protection to avoid any scratches or scuffs to protect the walls. I understand that if I, the customer, decline the extra protection. CMC is not liable for damage to the hardwood floors or walls at either location.
